Re: WT Docket Nos. 02-55, 05-62
Ex Parte Presentation

Dear Ms. Dortch:

On Friday, January 13, 2006, Lawrence Krevor, Vice President, Government Affairs – Spectrum, Sprint Nextel Corporation (“Sprint Nextel”), James Goldstein, Director – Spectrum Reconfiguration Projects, Sprint Nextel, and I held three separate meetings with John Giusti, Legal Advisor to Commissioner Michael Copps; Barry Ohlson, Senior Legal Advisor to Commissioner Jonathan Adelstein; and Sam Feder, General Counsel at the Commission, David Horowitz, Office of General Counsel (“OGC”), Elizabeth Lyle, OGC, and David Furth, Associate Bureau Chief, Wireless Telecommunications Bureau, regarding the status of 800 MHz band reconfiguration. Mr. Krevor and I also met with Aaron Goldberger, Legal Advisor to Commissioner Deborah Taylor Tate, to discuss the reconfiguration process. At all of these meetings, we also urged that the Commission expeditiously issue an order in its rulemaking on 900 MHz band issues, and then conduct an auction of 900 MHz “white space” spectrum.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of these proceedings.

Sincerely,

/s/ Regina M. Keeney
Regina M. Keeney
